

FY25 Corporate Governance Statement

FY25 Corporate Governance Statement

The Board of Directors (**Board**) of Spirit Technology Solutions Ltd (**Spirit** or **Company**) is responsible for the overall corporate governance of the Company and its subsidiaries (collectively, the **Group**). The Board believes that good corporate governance helps ensure the future success of the Company, adds value to shareholders and other stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (**Recommendations**) during the reporting period. The Recommendations are not prescriptive, such that if a company, having regard to its own circumstances, considers a recommendation does not apply, it has the flexibility not to follow it in whole or in part. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (**Statement**) discloses the extent to which the Company has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on the Company's website at <https://www.spirit.com.au/investor-hub/>, including the 2025 Annual Report and all published policies of the Company.

This Statement is current as at 22 September 2025 and has been approved by the Board.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1 - Role of the Board and Management

The role of the Board is to approve the strategic direction of the Company, guide and monitor the management of the Company and its businesses and oversee the implementation of appropriate corporate governance with respect to the Group's affairs. The Board aims to protect and enhance the interests of its shareholders, while considering the interests of other stakeholders, including employees, customers, suppliers, and the wider community.

The Board has a formal Board Charter which is available on the Company's website at <https://spirit.com.au/investor-hub/> and which sets out the matters expressly reserved for the Board's determination and those matters delegated to management.

The Board delegates responsibility for the day-to-day management of the Group and its business to the Managing Director (**Managing Director**). The Managing Director is supported by the senior executive team and delegates authority to appropriate senior executives for specific activities. The Board has ultimate responsibility for the strategy, control and risk profile of the Group.

Recommendation 1.2: Appointment of Directors

The Nomination and Remuneration Committee of the Board facilitates the selection and appointment of Directors. Before the Board appoints a new director or puts forward a candidate for election, the Nomination and Remuneration Committee will ensure that appropriate background checks are undertaken.

The Company provides shareholders with all material information in its possession that is relevant to their decision on whether or not to elect or re-elect a Director through a number of channels, including via the notice of meeting and other information contained in the 2025 Annual Report.

Recommendation 1.3: Appointment Terms

Each Director and senior executive is party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment, including the remuneration entitlement and performance requirements. Directors also receive a deed of indemnity, insurance, and access. Details of executive contracts in place are set out in the Company's Remuneration Report in the 2025 Annual Report.

Recommendation 1.4: Company Secretary

The Board is supported by the Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and directors' duties, and acting as an interface between the Board and senior executives across the Group. The Board and individual Directors have access to the Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

Details regarding Spirit's Company Secretary, including experience and qualifications, is set out in the Directors' Report in the 2025 Annual Report.

Recommendation 1.5: Diversity Policy

The workforce of the Company comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected. To demonstrate the Company's ongoing commitment to diversity and inclusion, the Company has implemented a Diversity and Inclusion Policy (**Diversity Policy**) which can be viewed at <https://spirit.com.au/investor-hub/>.

The Diversity Policy provides a framework for the Company to foster a diverse and skilled workforce and an inclusive workplace culture. It supports equal opportunity in employment and career development, promotes inclusive behaviour and policies, and encourages a work environment that values diverse backgrounds, experiences and perspectives.

The proportion of women on the Board, in senior executive positions and women across the entire organisation as at 16 September 2025 was as follows:

	MALE	FEMALE	TOTAL
BOARD	5 (83%)	1 (17%)	100%
SENIOR EXECUTIVE POSITIONS	9 (90%)	1 (10%)	100%
ENTIRE ORGANISATION	131 (79%)	34 (21%)	100%

Senior executive positions are those roles which support the Managing Director to operate and lead the business and deliver on strategic objectives.

The Company is a “relevant employer” under the Workplace Gender Equality Act 2012 (**Act**) and has lodged its annual report with the Workplace Gender Equality Agency (**WGEA**), which is available at <https://www.wgea.gov.au> and on the Company’s website.

The Board has not set measurable objectives for FY25, consistent with the discretion afforded under the Diversity Policy and having regard to the Company’s current size, structure, and composition. This position will be reviewed annually by the Board.

As such, the Company does not comply with Recommendation 1.5 in full.

Recommendation 1.6: Board, Committees and Individual Directors’ Performance Assessment

The Board is committed to formally evaluating its performance, the performance of its Committees and individual Directors, as well as the governance processes supporting the Board. The performance of the Board, Committees and individual Directors is assessed annually.

The process to assess Board, Committee and Director performance is conducted as follows:

- preparation of questionnaires/surveys by the Company Secretary, which are approved by the Nominations and Remuneration Committee and completed by each Director;
- analysis and provision of a report to the Nomination and Remuneration Committee by the Company Secretary, which presents the feedback received on the Board’s and Committee’s performance; and
- discussion by the Nomination and Remuneration Committee of areas for improvement and recommended actions, and reporting of such to the Board for approval.

Each Director’s performance is also assessed through open and frank discussions between the Chair of the Nomination and Remuneration Committee and that Director. Similarly, the Chair of the Nomination and Remuneration Committee’s performance is assessed by the Chair of the Board. Where the Chair of the Nomination and Remuneration Committee and the Chair of the Board are the same person, that Director’s performance is assessed by the Deputy Chair or the Lead Independent Director. A summary report of these one-on-one discussions and proposed actions for Directors’ self-development is then prepared and reported to the Board and Directors progress their individual development actions.

The Board has completed its annual performance assessment for FY25 as outlined above.

Recommendation 1.7: Senior Executive Performance Assessment

Senior executives are appointed by the Managing Director and their Key Performance Indicators (**KPIs**) contain specific financial and non-financial objectives.

These KPIs are reviewed annually by the Managing Director. The performance of each senior executive against these objectives is evaluated annually.

In the case of the Managing Director, this review is conducted by the Nomination and Remuneration Committee and the results are reported to the Board.

Performance evaluations of the Managing Director and senior executives have been completed for the reporting period.

PRINCIPLE 2 – BOARD STRUCTURE

Recommendation 2.1: Nomination Committee

The Company's Nomination and Remuneration Committee Charter provides for creation of a Committee with at least three members. The Nomination and Remuneration Committee Charter is available on the Company's website at <https://spirit.com.au/investor-hub/>.

The Board has established a Nomination and Remuneration Committee to assist the Board to discharge its responsibilities. The Committee has guidelines for the nomination and selection of directors and for the operation of the Board. In accordance with the Company's Nomination and Remuneration Committee Charter the primary function of the Committee is to assist the Board to carry out the following:

- review Director competence standards;
- review Board succession plans;
- evaluate the Board's performance;
- make recommendations for the appointment and removal of directors to the Board; and
- make recommendations to the Board on recruitment, retention, and termination policies for senior management.

During the financial year 2025 the Committee was comprised of:

- Shan Kanji – Non-Independent Chair of the Committee
- Lynn Warneke – Independent Member of the Committee
- Russell Baskerville – Independent Member of the Committee (appointed on 29 January 2025)
- James Joughin – Independent Member of the Committee (resigned on 29 November 2024)
- Gregory Ridder – Independent Member of the Committee (resigned on 5 August 2024)

The Company currently has three Committee members, a majority of whom are independent, however the Committee is not currently Chaired by an independent Director.

Details of meetings held by the Committee during the year and member attendances are set out in the 2025 Directors' Report.

Recommendation 2.2: Board Skills Matrix

The Company recognises that an appropriate mix of skills, expertise and diversity on the Board is essential to effectively discharge its corporate governance and oversight responsibilities and to guide the Group's strategic direction. It is the Board's view that the current Directors possess an appropriate mix of relevant expertise, experience – including technical, financial, governance, commercial and industry specific experience – and diversity indicators to enable the Board to discharge its responsibilities and deliver the Company's strategic objectives. This mix is subject to review on a regular basis as part of the Board's performance review process.

During the reporting period the Board adopted an updated skills matrix that identifies the critical skills and experience relevant to the Company's business and required by the Board, and assessed each Director's skills and experiences against this matrix.

The Board Skills Matrix includes three dimensions:

PROFESSIONAL SKILLS AND EXPERIENCE	INDUSTRY/SECTOR EXPERTISE	DIVERSITY INDICATORS
Risk and Compliance Oversight	Large Enterprise	Age
Financial Performance and Literacy	Small to Medium Business	Gender identity
Corporate Governance, including ASX	Government	Cultural Identity / Ethnicity
Strategy and Growth	ASX-Listed and Public Company	
Investor Relations	Cyber Security	
Capital Markets (M&A)	Managed Services	
Capital Markets (Capital Raising, IPO)	Communication and Collaboration	
Legal and Regulatory	Professional Services	
Technology and Data Governance	Telecommunications	
Sales	Software-as-a-Service and Technology	
Marketing		
Corporate History		
Executive Management		
People and Culture		
Qualifications		

To the extent that any required expertise is not directly represented on the Board, capabilities are augmented through senior management and external advisors.

Details of each Director's relevant skills, experience and qualifications are set out in the 2025 Directors' Report.

In line with Recommendation 1.5 of the Recommendations, the Board currently discloses diversity indicators relating to age, gender identity, and cultural identity/ethnicity, reflecting the most material and consistently reportable dimensions relevant to our governance and workforce composition.

While the ASX encourages broader disclosures (e.g. sexual orientation, disability, socio-economic background), we do not currently report against these due to privacy, data sensitivity, and the need for robust internal processes. The Board will continue to review this position as our diversity and inclusion practices mature.

Recommendation 2.3: Independent Directors

An independent director is a non-executive director who is not a member of management and is free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement.

The Board regularly assesses the independence of each Non-Executive Director in light of the information which each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the Director's terms of appointment, the *Corporations Act 2001* (Cth) (**Corporations Act**), and the Board Charter.

When appointing an independent director or reviewing the independence of its Directors, the Board will have regard to the definition of independent director and the factors set out in the Recommendations, in particular the factors relevant to assessing the independence of a director set out in Recommendation 2.3.

The Board's assessment of each current Director is set out below.

Name	Position	Appointment Date	Status
Julian Challingsworth	Managing Director	11 July 2022	Non-Independent
Lynn Warneke	Non-Executive Director and Chair of the Audit and Risk Committee	9 October 2023	Independent
Shan Kanji	Non-Executive Director and Chair of the Board and Chair of the Nomination and	31 January 2024	Non-Independent

	Remuneration Committee		
Simon McKay	Executive Director	4 April 2024	Non-Independent
Dane Meah	Non-Executive Director	4 April 2024	Non-Independent
Russell Baskerville	Non-Executive Director, Lead Independent Director and Deputy Chair of the Board	28 October 2024	Independent

The Board considers that Lynn Warneke and Russell Baskerville are independent having regard to the indicia in Box 2.3 in the Recommendations. The Board has considered the holdings of securities in the Company by these Non-Executive Directors and is of the opinion that their respective interests in securities would not materially interfere with, or could be reasonably perceived to interfere with, the independent exercise of their judgement in their position as a Director. The Board also considers that they are otherwise free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of their judgement, and that each of these Directors is able to fulfil the role of independent director for the purposes of the Recommendations.

Julian Challingsworth and Simon McKay are considered by the Board not to be independent as they are both employed in an executive capacity and Simon McKay is also a substantial shareholder.

Shan Kanji and Dane Meah are also considered by the Board not to be independent as they are both substantial shareholders. In addition, Dane Meah held an executive role within the Group within the past three years.

Recommendation 2.4: Majority Independence

As at the date of this Statement, two of the Company's six Directors are considered independent. On this basis the Company does not currently have a majority of independent Directors.

The Board recognises that it is desirable for the majority of the Board to be independent Directors. The Company's current size dictates that this is the most efficient mode of operation at the current time, given the Company's current size, stage of maturity and growth priorities.

The Independent Board Directors, Russell Baskerville and Lynn Warneke provide an active role in challenging management.

Further information regarding Spirit's Directors, including their experience and qualifications, is set out in the Directors' Report in the 2025 Annual Report.

Recommendation 2.5: Board Chair

The Chair, Shan Kanji was appointed to the position on 29 November 2024 and is considered a non-independent Director. The Chair provides leadership to the Board in

relation to all Board matters and is responsible for ensuring that the Board meets its responsibilities under the Board Charter. The role requirements are set out in more detail in the Board Charter.

To enhance independent oversight and accountability, particularly given the Chair's non-independent status and the current Board composition, the Board has appointed Russell Baskerville as Lead Independent Director and Deputy Chair. These roles provide a governance counterbalance by ensuring that independent Directors have an elevated voice in Board deliberations, particularly in matters relating to executive performance, Board evaluation, and stakeholder governance. The role and function of the Lead Independent Director is guided by the principles set out in the Board Charter.

The roles of Chair and Managing Director are exercised by different individuals, being Shan Kanji and Julian Challingsworth respectively.

The Company does not meet Recommendation 2.5 in its entirety.

Recommendation 2.6: Induction, Education and Training

In accordance with the Company's Nomination and Remuneration Committee Charter, the Nomination and Remuneration Committee is responsible for establishing and reviewing induction and continuing professional development programs and procedures for Directors to ensure that they can effectively discharge their responsibilities.

Directors are also encouraged to personally undertake appropriate training and refresher courses as appropriate to maintain the skills required to discharge their obligations to the Company.

PRINCIPLE 3 – ACT ETHICALLY AND RESPONSIBLY

Recommendation 3.1: Statement of Values

The Company's values are the guiding principles and norms that define what type of organisation it aspires to be and what it requires from its Directors, Managing Director, senior executives and all employees. The values of Spirit are disclosed on the Company's website at <https://spirit.com.au/spirit-people>.

The Company's executive team is responsible for modelling, instilling and maintaining these values across the organisation.

Recommendation 3.2: Code of Conduct

The Board recognises the need to observe the highest standards of corporate practice and business conduct. Accordingly, the Board has adopted a Corporate Code of Conduct (**Code**) designed to:

- provide a framework for decisions and actions in relation to ethical conduct in employment;
- support the Company's business reputation and corporate image; and

- make Directors and employees aware of the consequences if they breach the Code.

The Code sets out the Company's policies on various matters including ethical conduct, business conduct, compliance, privacy and security of information. The key aspects of this Code are to:

- act fairly with honesty and integrity in the best interests of the Company and in the reasonable expectations of shareholders;
- act in accordance with all applicable laws, regulations, and Company policies and procedures; and
- act in an appropriate business-like manner when representing the Company in public forums.

Any material breach of the Company's policies, including a breach of the Code, is raised and reviewed at each Board meeting.

The Code can be found on the Company's website at <https://spirit.com.au/investor-hub/>.

Recommendation 3.3: Whistleblower Policy

The Whistleblower Policy demonstrates that the Company is committed to the highest standards of conduct and ethical behaviour in all its business activities. The Company supports a culture of honest and ethical behaviour in ensuring good corporate compliance and governance. The policy sets out, amongst other things, instances of suspected misconduct which can be reported to the internal and external parties and summarises the protections offered to whistleblowers.

Any material breach of the Company's policies, including any breach of the Whistleblower Policy, is raised and reviewed at each Board meeting.

The Whistleblower Policy is available on the Company's website at <https://spirit.com.au/investor-hub/>.

Recommendation 3.4: Anti-bribery and Corruption Policy

The Anti-Bribery and Corruption Policy demonstrates that the Company is committed to maintaining high standards of integrity and accountability in conducting its business. The policy provides a framework of guidelines and principles to encourage ethical behaviour in the conduct of business.

Any material breach of the Company's policies, including any breach of the Anti-Bribery and Corruption Policy, is raised at the Audit and Risk Committee meeting and reported by the Audit and Risk Committee to the next Board meeting.

The Anti-Bribery and Corruption Policy is available on the Company's website at <https://spirit.com.au/investor-hub/>.

PRINCIPLE 4 – SAFEGUARD INTEGRITY IN CORPORATE REPORTING

Recommendation 4.1: Audit Committee

The Board has established an Audit and Risk Committee Charter which provides for the establishment of an Audit and Risk Committee, with a majority of members who are independent Directors, and which shall be chaired by an independent Director who is not the Board Chair. The Audit and Risk Committee Charter is available on the Company's website at <https://spirit.com.au/investor-hub/>.

During the financial year 2025 the Committee was comprised of:

- Lynn Warneke – Independent Chair of the Committee (appointed as a member of the Committee from 29 January 2024 to 9 July 2024, Chair from 10 July 2024)
- James Joughin – Independent Member of the Committee (resigned on 29 November 2024)
- Dane Meah – Non-Independent Member of the Committee
- Russell Baskerville – Independent Member of the Committee (appointed on 29 January 2025)
- Gregory Ridder – Independent Chair of the Committee (resigned 5 August 2024)

The Company currently has three Committee members, a majority of whom are independent, and the Committee is chaired by an independent Director who is not the Chair of the Board.

In accordance with the Company's Audit and Risk Committee Charter the primary function of the Committee is to assist the Board to carry out the following:

- review and monitor the integrity of the Company's financial reports and statements;
- monitor the performance and independence of the external auditor; and
- review the consolidated accounts of the company.

It also has risk management and internal control functions as set out under Recommendation 7.1.

Details of meetings held by the Committee during the year and member attendances are set out in the 2025 Directors' Report.

Recommendation 4.2: Assurances

The Managing Director and Chief Financial Officer (**CFO**) provide an annual declaration to the Board prior to the Board's approval of the Company's full year financial results. This process was followed for the 2025 full year financial results, where the Managing Director and CFO provided a declaration to the Board that, in their opinion, the financial records have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Group, and their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively. On this basis, the 2025 full year financial results were approved by the Board.

Recommendation 4.3: Verification of integrity of periodic corporate reports

The Company's external auditor, PKF Melbourne Audit & Assurance Pty Ltd (**PKF**), was

appointed following the 2017 Annual General Meeting (**AGM**). PKF attends Spirit's AGM and a representative of PKF is available to answer shareholder questions about the conduct of the audit and the preparation and content of the auditor's report.

PKF's independence declaration is contained in the Directors' Report in the 2025 Annual Report.

The effectiveness, performance and independence of the external auditor is reviewed annually by the Board.

Any periodic corporate report the Company releases to the market that is not audited or reviewed by an external auditor is reviewed and approved by the Board so that it is satisfied the report in question is materially correct, balanced and provides investors with appropriate information to make an informed investment decision. Following review by the Board of Directors the report is formally approved prior to release.

PRINCIPLE 5 – MAKE TIMELY AND BALANCED DISCLOSURE

Recommendation 5.1: Continuous Disclosure Policy

The Company is committed to providing information to shareholders and to the market in a manner that is consistent with the meaning and intention of the ASX Listing Rules and the Corporations Act.

To comply with these obligations, the Board has adopted a Continuous Disclosure Policy (**Policy**), which is available on the Company's website at <https://spirit.com.au/investor-hub/>.

The Board has overarching responsibility for compliance with continuous disclosure obligations and Board approval is required for certain key matters (as set out in the Continuous Disclosure Policy) and matters may be referred to the Board for approval by the Chair of the Board, the Chair of the Audit and Risk Committee, or the Company Secretary.

The Board is committed to the promotion of investor confidence by ensuring that trading in the Company's securities takes place in an efficient, competitive and informed market and in compliance with the Securities Trading Policy (as applicable). In accordance with continuous disclosure obligations under the ASX Listing Rules, the Company has procedures in place to ensure that all price sensitive information is identified, reviewed by management and disclosed to the ASX in a timely manner. The Company website includes a link to all information disclosed to the ASX.

Recommendation 5.2: Provide Board with copies of all material market announcements

The Company ensures that all material market announcements are provided to the Board prior to release, and Directors are notified immediately following each announcement's publication.

Recommendation 5.3: Investor Presentations

In accordance with the Recommendation, the Company ensures that all new and substantive presentations are released to the market ahead of the presentation to enable security holders the opportunity to participate in the presentation. The Company discloses these processes in its Continuous Disclosure Policy, which is available on the Company's website at <https://spirit.com.au/investor-hub/>.

PRINCIPLE 6 – RESPECT THE RIGHTS OF SECURITY HOLDERS

Shareholders who have elected to receive electronic communications are notified via the registry. Printed copies of the Annual Report are available on request.

The Board regards each general meeting as an important opportunity to communicate with shareholders and ensures shareholders' questions about the Company, its strategy and performance are encouraged and responded to. At general meetings, the Company seeks to provide an opportunity for shareholders and other stakeholders to hear from and put questions to the Board, management and if applicable the external auditor.

Recommendation 6.4: All substantive resolutions at a security holder meeting are decided by poll

Spirit's securityholders are encouraged and enabled to attend and vote at the Company's security holder meetings – whether in person, electronically, or by proxy or other representative. To ensure voting outcomes accurately reflect shareholder intentions, the Company conducts voting on all substantive resolutions by poll, rather than by show of hands.
